Ref: Peter Greenshields and Cuthbertson Laird Group

Dear Friends, Customers and Suppliers,

Many of you will personally know Peter Greenshields, the Managing Director of Cuthbertson Laird Group. I'm sorry to say that Peter sadly passed away recently after a short battle with cancer.

Peter has led the Company for the last 30 years and in that time has made many loyal friends in staff, his customers and suppliers.

I know that many of you have known Peter personally and he would have wanted to thank you all for being so loyal to himself and all the staff so i write this letter on his behalf.

Peter will be very sadly missed as most of the staff have been with us for over 25 years.

Thanks to your continued support we have successfully grown into one of the UK's most trusted brands within the industry.

Peter has now passed the business on and it has now been acquired by PASS (Portable Appliance Safety Services) Ltd who will continue to carry on the business trading through the Cuthbertson Laird Group brand name with the existing staff at Hamilton, Leeds and Belfast.

It was important to Peter to transfer the business to a Company that would look after the staff and customers as well as carry on the Cuthbertson & Laird brand.

There will be changes happening in the near future to update and integrate our systems and we ask that you bear with us during the transition period.

If you need to contact us in the meantime:

Cuthbertson Laird has been and will continue to be a business built upon great relationships and I'd like to thank you again on behalf of Peter and myself for the constant support that you have shown us over the years and look forward to continuing this into the future.

If you have any questions or queries, please do not hesitate to contact us.

Your sincerely

Heather Greenshields
